6. DELIVERY AND NON-DELIVERY

6.1 As a general guide, delivery of the Supplier's standard catalogue ranges can take up to 12 Business Days from the Date of Signed Artwork Approval. In the case of chromium's, metal, rubber, lanyards and other bespoke product designs, the standard delivery time is 24 Business Days. These predicted time-scales are purely speculative indications and the Customer should not rely upon these when placing an Order.

6.2 The Supplier shall ensure that:

- (a) all reasonable endeavours are used to notify the Customer as soon as the Goods are ready for delivery;
- (b) each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, all relevant Customer and Supplier reference numbers, the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Order is being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and
- (c) if the Supplier requires the Customer to return any packaging materials to the Supplier, that fact is clearly stated on the delivery note. The Customer shall make any such packaging materials available for collection at such times as the Supplier shall reasonably request. Returns of packaging materials shall be at the Supplier's expense.

6.3 The Supplier shall deliver the Goods to the location as set out in the Order or such other location as the parties may agree (Delivery Location) at any time after the Supplier notifies the Customer that the Goods are ready. In accordance with clauses 6.6, 6.7 and 6.8 of these Conditions, the Supplier is entitled to additionally charge the Customer for delivery to a location situated outside of Mainland UK or if delivery is cancelled by the Customer

6.4 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location and evidence of delivery shall be by way of a delivery note provided with the delivery of the Goods.

6.5 Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. The Supplier shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

6.6 The Supplier shall not be liable for any direct, indirect or consequential loss (all three of which terms include, without limitation: pure economic loss, loss of profits, loss of business, depletion of goodwill and similar loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Supplier's negligence), nor shall any delay entitle the Customer to terminate or rescind the Contract unless such delay exceeds 28 Business Days.

6.7 If the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

6.8 If the Customer fails to take delivery of the Goods within three Business Days of the Supplier notifying the Customer that the Goods are ready, then, except where such failure or delay is caused by a Force Majeure Event or the Supplier's failure to comply with its obligations under the Contract:

- (a) delivery of the Goods shall be deemed to have been completed at 9.00 am on the third Business Day after the day on which the Supplier notified the Customer that the Goods were ready for delivery; and
- (b) the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).

6.9 If 10 Business Days after the day on which the Supplier notified the Customer that the Goods were ready for delivery the Customer has not taken delivery of them, the Supplier may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods.

6.10 Whilst every effort is made by the Supplier to produce the stipulated quantity of Goods ordered, the Customer shall not be entitled to reject the Goods if the Supplier delivers up to and including 10% more or less than the quantity of Goods ordered.

6.11 The Supplier may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate Contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.

7.1 The Supplier warrants that on delivery, and for a period of 12 months from the date of delivery (Warranty Period), the Goods shall:

- (a) conform with their description and Specification;

7.5 Goods, other than defective Goods returned under clause 7.3, returned by the Customer may be refunded or credited to the Customer at the Supplier's sole discretion and without any obligation on the part of the Supplier.

7.6 The Customer shall be responsible to ensure that, except to the extent that instructions as to the use or sale of the Goods are contained in the packaging or labelling of the Goods, any use or sale of the Goods by the Customer is in compliance with all applicable statutory handling and is carried out in accordance with directions given by the Supplier or any competent governmental or regulatory authority. The Customer will indemnify the Supplier against any liability loss or damage the Supplier might suffer as a result of the Customer's failure to comply with this condition.

7.7 Except as provided in this clause 8, the Supplier shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 8.1.

7.8 Except as set out in these Conditions, all warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from the Contract.

7.9 These Conditions shall apply to any repaired or replacement Goods supplied by the Supplier.

8. RETURN OF GOODS AND REFUNDS

8.1 If the Customer is not satisfied with any Goods purchased from the Supplier, the Customer may cancel the Contract and return the Goods to the Supplier and obtain a full refund of the price of the returned Goods, provided:

- (b) Written consent is obtained from the Supplier prior to the Goods being returned;
- (c) The Goods are returned in their original condition and packaging, together with the original documentation; and

8.3 Reasonable collection, transportation and restocking charges will apply to the Customer for the returning of Goods.

8.4 All Goods will be tested and inspected and unless the Goods are subject to a manufacturing fault, this cost and any associated repair cost will be charged to the Customer.

8.5 Where the Goods are custom made to the Order of the Customer, or are non-stock items, the Customer shall not be entitled to return the Goods or cancel the Order and receive a refund unless the Goods are faulty. The statutory rights of the Customer are unaffected.
